Sir/Ms,

**RE: CURBSIDE RECYCLING COLLECTIONS OVER THE FESTIVE SEASON**

We hereby inform that our recycling service will proceed as normal during the festive season. Collections will take place on your scheduled lifting day except for 25 December (Christmas day) and 1 January (New Years day). Both of these Fridays recyclables must please be kept aside for us and placed out on the following Friday (8 January 2021).

All our curbside collection premises added up to 15 tons of waste which are recycled per month. Thank you for your participation and doing your share to help saving our environment.

May you have a blessed Christmas and prosperous 2021!

Yours faithfully,

AWIE PIETERSE  
**RECYCLING MANAGER**
